**Re: Mid-Tex Cellular, Ltd.
E911 Location Accuracy Certification
PS Docket No. 17-78**

Dear Ms. Dortch:

Transmitted herewith, on behalf of Mid-Tex Cellular, Ltd. ("Mid-Tex") and pursuant to Section 20.18(i)(2)(iii)(C) of the Rules and Regulations of the Federal Communications Commission, is Mid-Tex's E911 Indoor Location Accuracy Certification. Mid-Tex requests leave to file this certification after the June 2 deadline and, to the extent necessary, a waiver of the filing deadline.

The delay in filing resulted from delays in connection with its E911 service vendor. Mid-Tex contacted its E911 service vendor in early February to request data on location accuracy, but due to delays in negotiating and executing the necessary contracts, Mid-Tex did not receive such data until June 2. Upon receipt of the data, Mid-Tex's engineers worked with its outside counsel to determine whether the data demonstrated full compliance with Section 20.18(i)(2)(i)(B)(1) of the Commission's rules. After requesting and receiving additional data from its service vendor, Mid-Tex was able to confirm its compliance and executed the attached certification.

Should the Commission have any questions, please communicate directly with the undersigned.

Sincerely,

/s/ Michael R. Bennet
